Notes:

Region = West North Central Census Division (Iowa, Kansas, Minnesota, Missouri, Nebraska, North Dakota, South Dakota).

State figures are weighted by age × gender, ethnicity and education.

National figures are weighted by age × gender, ethnicity, education and Census Division.

Census Division figures are weighted by age × gender, ethnicity, education and state.

Differences between groups may or may not be statistically significant.

Percentages may not add up to 100 because of missing or "don't know" responses.

Survey was conducted June – October 2024.
